THE MISSING PIECE IN COMPLETE TRANSLATION SERVICES

PROFESSIONAL, RELIABLE AND AFFORDABLE MULTILINGUAL DESKTOP PUBLISHING SOLUTIONS

Desktop Publishing (DTP) has evolved into a highly specialized and technical business, involving a number of steps and procedures between the initial design of the document and its final delivery and print-out. To meet this high demand, our team of DTP specialists offers a single-source solution to all your multilingual communication needs and international cross-cultural communication through a variety of customized DTP services at a competitive rate.

We specialize solely in multilingual desktop publishing, typesetting, document layout and formatting in a variety of foreign languages, including Portuguese, Italian Chinese, Russian, French, Dutch, German, Spanish, Arabic, and many more. This makes us the perfect partner for translation agencies who wish to increment business by adding to the services offered.

We utilize the latest software and hardware tools to ensure the highest quality cross-platform products. We have the capacity to deliver your documents in any of the major DTP software applications and in most formats. We can turnaround large projects or volumes quickly to meet most demands.
